**\*NOTE: The following leagues have a male batting restriction.** The reason for the rule is, the outfields in these leagues are shallow and back up to each other. For safety reasons we have a batting restriction for male batters, as their balls are likely to travel a bit further.

**Ballard Coed Rules:**

- Male Batting Rule/Restriction: Yes - Men must bat with a shorter *aluminum* bat (maximum 28” in length and 32 oz. in weight). This bat does not need to be ASA approved, but cannot be a wooden bat. Aluminum only

**Miller Coed Rules**

- Male Batting Rule/Restriction: Yes - Men have the option of batting off-handed (weak side) using any size softball approved bat or batting strong handed with a shorter bat (maximum 30" in length/32 oz. in weight) \*

**Queen Anne Coed Rules:**

- Male Batting Rule/Restriction: Yes - Men have the option of batting off-handed (weak side) using any size softball approved bat or batting strong handed with a shorter bat (maximum 30" in length/32 oz. in weight). This bat does not need to be ASA approved, but cannot be a wooden bat. Aluminum only.

**Summer/Fall Metro (Lower Woodland) Coed Rules:**

- Male Batting Rule/Restriction: Yes - Men have the option to bat off-handed with any size softball approved bat, or bat strong-handed with a shorter bat (maximum 28” in length and 32 oz. in weight) or any regulation sized wooden bat\*

\*Restricted bats in length and/or weight do not have to be ASA approved. They can be little league baseball bats, but their dimensions must be clearly marked for the umpire and other team to verify.
